PROFESSIONAL SUMMARY

Motivated web technology enthusiast with a foundation in HTML, CSS, JavaScript, Java, and MySQL. Interested in web development, content management, and digital solutions. Known for being a quick learner with strong analytical thinking, attention to detail, and effective communication skills.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, C, C++
- **Web Technologies:** HTML, CSS, JavaScript, React
- **Database:** MySQL
- **Frameworks & Tools:** Spring Boot, Git, REST API

PROJECTS

MechanicMate

- MechanicMate is a smart roadside assistance platform that connects users with nearby mechanics instantly. Users can select a service, enter their location, and send a request in just a few clicks. Mechanics receive real-time service requests with clear service and location details. The mechanic dashboard allows online and offline status management for availability control. The platform features a modern, user-friendly design and is ready for future real-time upgrades.

Hill Hopper

- Built with Java (Spring Boot) and MySQL, it supports user login, ride posting, booking approval, and trip tracking.

University Social Media Site

- CollegeConnect is a social media platform for colleges where students and teachers can connect easily. Students can view college updates, events, notices, and academic information in one place. Teachers can share announcements and study materials, making communication faster and more organized.

Movie Recommender System

- Developed a recommendation system in Python using user preferences and machine learning concepts to suggest relevant movies.

EDUCATION

Uttaranchal University

Bachelor of Computer Application 2023 - 2026

Mechanical Engineering In Production

Diploma 2019 - 2022

National Institute Of Open Schooling

12 - NIOS 2022 - 2023

Shri Guru Ram Rai Public School

10 - CBSE 2016

CERTIFICATIONS

Artificial Intelligence and generative Ai

- June - July

Data Science And Machine Learning

- YBI Foundation June - July

Byte Competition -Boost Your Tech Excellence Coding Competition

- Full Stack Development Workshop(2days) 2024

STRENGTHS

- Quick Learner
- Communication Skills
- Problem Solving
- Team Collaboration
- Creativity
